

Lascaux Studio^{©original}

Lascaux Studio Original is a universal acrylic paint for use in art, design and decoration.

A time - honoured colour of supreme quality, it is highly versatile and suitable for all painting techniques. The Studio Original Colour range now consists of 54 tones in addition to 8 luminous bronze colours prepared from pure metallic bronzes.

Properties

- highly pigmented
- lightfast, non-ageing and non-yellowing
- optimally weather-resistant
- water-resistant when dry
- very good coating flexibility
- minimal colour difference when wet or dry
- gloss level: semi-gloss and uniform
- consistency: viscous, smooth and soft
- opacity: the uniform covering power is ideal for effortless creation of monochrome surfaces
- working properties: good coatability and consistent luminosity with maximum coverage
- optimal adhesion: to practically any clean surface
- usage: extremely concentrated and high-yielding

Usage

- for art, design and decoration
- for all painting techniques (including airbrush and screen printing)
- ideal for murals and large surfaces

Applications

Lascaux Studio Original can be applied with all painting tools either directly from the bottle or diluted with water (20%). The result is a firm elastic colour, which

can be painted over in optional layers, whereupon the tone remains unchanged.

Priming:

According to the absorption level and texture desired, we offer corresponding products for rigid and flexible base coats (Lascaux Primer and Modelling Pastes).

Mixing:

In combination with Lascaux painting mediums, Lascaux Studio Original can be harmonised to suit any painting technique: from deep matt to very glossy glazes, from velvety surfaces to textured impastos.

Varnishing:

All acrylic works can be lastingly protected with Lascaux Transparent Varnishes and are subsequently easy to clean. A transparent varnish with an UV-absorber is available for outdoor applications.

Composition

Lascaux Studio Original consists of lightfast pigments and selected pure acrylics.

Delivery form

30 ml, 85 ml, 250 ml, 500 ml and 1 litre bottles
3 litre and 5 litre buckets
Set: 12 x 30 ml and 12 x 85 ml

Lascaux Studio Bronze^{©original}

Lascaux Studio Bronze Original is a range of brilliant bronze colours made from pure, non-oxidizing metallic bronze for use in design, decoration and architecture. This exclusive colour range consists of 8 tones.

Properties

- genuine metal alloys
- lightfast and non-oxidizing
- very good coating flexibility
- gloss level: semi-gloss and uniform
- maximum coverage
- Optimal adhesion: to practically any clean surface
- water-resistant when dry
- usage: extremely concentrated and high-yielding
- shelf life: two years

Usage

- design, decoration and architecture
- ideal for the creation of frames

Applications

Lascaux Studio Bronze Original can be applied with all painting tools either directly from the bottle or diluted with water.

Priming:

According to the absorption level and texture desired, we offer corresponding products for both rigid and flexible base coats (Lascaux Primer and Modelling Pastes). Lascaux Studio Bronze Original should only be applied to non-alkaline bases.

Mixing:

Lascaux Studio Bronze Original can be intermixed, however it is important to note that the gold tones (990, 991, 992, 993, 994, 996), as well as the silver tones (995 and 997), can only be mixed among themselves. Otherwise their stability is compromised. For this same reason Lascaux Studio Bronze Original should not be mixed with any other Lascaux colours or mediums.

Varnishing:

A protective coating with Lascaux Transparent Varnish is highly recommended for work in outdoor settings. Use caution when using Gold tones, Britannia silver and copper for outdoor applications.

A protective covering with Lascaux Transparent Varnish 1 (diluted with water 4:1) protects Studio Bronze Original against attrition, humidity and oxidation. Do not apply Transparent Varnish 1 under humid or cool conditions, as the varnish can take too long to dry. As a result, the gold-bronzes, copper and Britannia silver are liable to turn greenish in colour.

Composition

Lascaux Studio Bronze Original is comprised of selected pure acrylics and lightfast, stabilised metal alloys.

Delivery form

85 ml, 250 ml and 500 ml
3 litre and 5 litre buckets
